CORPORATE PRESENTATION

CSE:PXI | OTC:PNXPF | Frankfurt: P6U1

Forward Looking Statement

This document contains forward-looking statements and factual information that are current as of the date the document was originally created. Planet Ventures (“the Company”) disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Forward-looking statements include, but are not limited to, statements with respect to the timing and amount of estimated future exploration, success of exploration activities, expenditures, permitting, and requirements for additional capital and access to data.

Forward looking statements involve known and unknown risks, uncertainties, and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by the forward looking statements. Such factors include, among others, risks related to actual results of current exploration activities; changes in project parameters as plans continue to be refined; the ability to enter into joint ventures or to acquire or dispose of properties; future prices of mineral resources; accidents, labor disputes and other risks of the mining industry; ability to obtain financing; and delays in obtaining governmental approvals of financing.

Any statements, opinions, projections, forecasts or other material contained in this presentation do not constitute a commitment, representation or warranty by the company or its directors, officers, agents or employees. The directors, officers, agents and employees of the company shall in no way be liable to any person or body for any loss, claim, demand, damages, costs or expenses of whatsoever nature arising in any way out of, or in connection with, the information contained in this presentation. This presentation does not constitute an offer to sell securities and is not a solicitation of an offer to buy securities. It is not to be distributed to third parties without the consent of the company. An investment in the company is considered to be speculative in nature. Each individual should rely solely upon its own investigations and inquiries with respect to the company and agrees it will not in any way rely upon this presentation. The company recommends that you consult your own professional advisor(s).

About Planet Ventures

PLANET VENTURES is an investment issuer that focuses on investing in growth companies and sectors such as tech, Web3, gaming, digital assets, mining and more. The Company aims to generate long-term value for its shareholders by identifying high-potential early-stage opportunities and being opportunistic with its capital deployment.

As an investment issuer, we:

- Look to capitalize on market and industry trends that can create **substantial value** for our shareholders
- Look for opportunities all over the globe where we can leverage our knowledge, expertise, and experience to deliver **substantial growth** for our companies and our investors

The company's strategy is focused on investing in multiple companies across a variety of sectors across North America.
